Experience meets innovation

SUGATSUNE hardware stands out thanks to the highest quality and innovative design. As a Japanese manufacturer of premium furniture, architectural and industrial hardware steeped in tradition, SUGATSUNE is highly regarded throughout the world. Our customers commend our 6,000+ products for their functionality, durability and our attention to detail.

Whether excellent handles and knobs, hinges, or space-saving opening mechanisms, you are bound to find whatever special solution you are looking for! Interior architects as well as customers from the marine and the medical industry alike are thrilled with the wide range including numerous stainless steel products.

Thanks to our branch in Düsseldorf, Germany, SUGATSUNE EUROPE GMBH is now able to assist customers in Europe* with any questions in both German and English. We can also ensure short delivery times throughout Europe due to our on-site warehouse and a constantly growing sales network. We look forward to supporting you in finding the perfect solution for your project.

KNUCKLE CATCH JC-24/26

- **Features**
 - Resin body prevents rust
 - Suitable for general furniture, kitchen equipment and marine hardware
- Can be used for overlay and inset door

> Catalogue page 246

ROTARY CATCH RC6900

- **Features**
 - Resin body prevents rust
 - Suitable for general furniture, kitchen equipment and marine hardware
- Passed 100,000 times opening and closing test
- Can be used for overlay and inset door

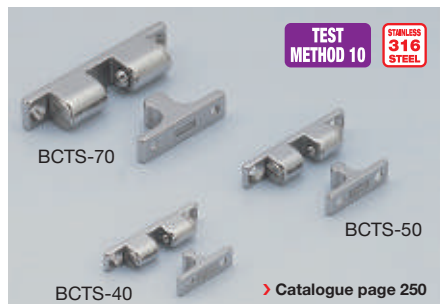

> Catalogue page 246

KNUCKLE CATCH NAC

- **Features**
 - Holds door tightly and suitable for large door
 - High durability
 - Can be used for overlay and inset door

> Catalogue page 246

TENSION CATCH BCTS

■ **Features**

- Can be installed vertically or horizontally
- Corrosion resistance: Made of SCS14

> Catalogue page 250

MAGNETIC CATCH MC-YS

■ **Features**

- Ultra thin magnetic catch ideal for tight space
- Extra strong magnetic force: MC-YS001, MC-YS001P

- Weaker magnetic force: MC-YS002, MC-YS002P

> Catalogue page 252

MAGNETIC CATCH MC-159-SUS

■ **Features**

- Anti rust: made of stainless steel and coated with acrylic resin
- Ultra thin and extra strong magnetic force

■ **Remarks**

- Max. temperature: 80°C

> Catalogue page 263

MAGNETIC CATCH MC-YC-06

■ **Features**

- Strong die casted body
- Small body with strong magnetic force
- Can be installed vertically or horizontally

> Catalogue page 264

SEALED MAGNETIC CATCH MC-JM45

■ **Features**

- Resin sealing the magnet prevents rusting
- Thin magnetic catch ideal for tight spaces
- Strong magnetic force

- Ideal for kitchen equipment by using with the counter plate MC-JMP45

■ **Colour**

- White
- Black

STAINLESS STEEL COMPRESSION LATCH STF-CP140

■ **Features**

- Compression arm with rubber allows to fasten the door tightly
- Compression force is adjustable

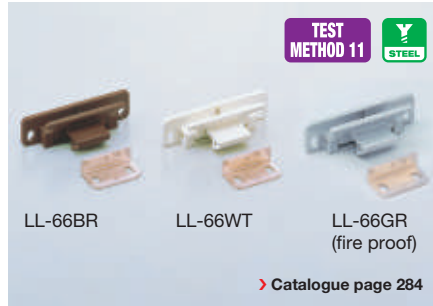

- Push safety button to release the lock
- Can be used with Padlock PWL

> Catalogue page 279

STAINLESS STEEL DRAW LATCH PN-51

- Features**
 - High corrosion (Body: SUS304, Spring: SUS316)
- Remarks**
 - Key changes are not available

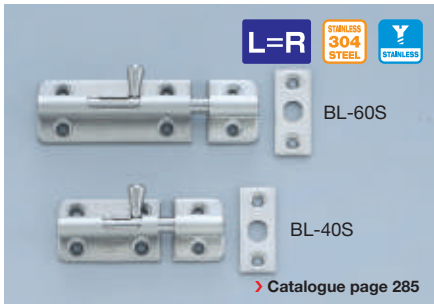

LEVER LATCH LL-66

- Features**
 - Latch designed to be used on a door without knobs and handles
 - Installation position can be adjusted (body: vertical ± 1.5 mm, counter plate: horizontal ± 1.5 mm)
- Colour**
 - Brown
 - White
 - Grey
 - Chrome

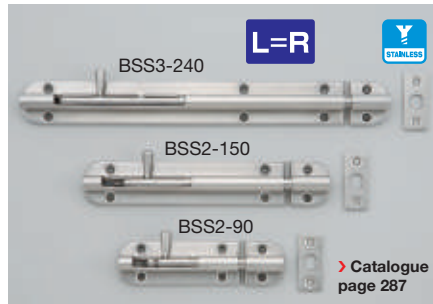

STAINLESS STEEL LEVER LATCH LL-66S

- Features**
 - Corrosion resistance: Made of 316 stainless steel
 - Latch designed to be used on a door without knobs and handles
- Installation position can be adjusted (body: vertical ± 1.5 mm, counter plate: horizontal ± 1.5 mm)
- Can be used in exterior application

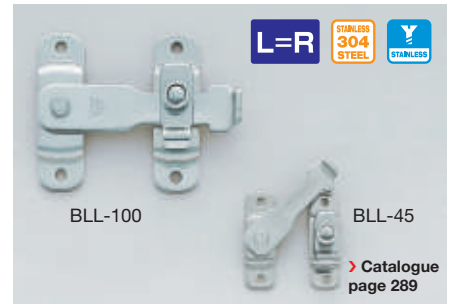

SPRING LOADED BARREL BOLT BL-S

- Features**
 - Ideal for harsh and high corrosion environments
 - Knob springs back into sleeve to keep bolt in locked or unlocked position
- Can be installed vertically or horizontally
- 2 counter plates included for different mountings

SPRING LOADED BARREL BOLT BSS 2, BSS3

- Features**
 - Extra sleeve for locking offers flexibility in application
 - Ideal for harsh and high corrosion environments
 - Knob springs back into sleeve to keep bolt in locked or unlocked position
- Can be installed vertically or horizontally
- 2 counter plates included for different mountings
- Finish**
 - Satin

SPRING LOADED BAR LATCH BLL

- Features**
 - High corrosion resistance
 - Latch bolt snaps into the strike to prevent accidental release
 - Push tab on strike to release
- Finish**
 - Polished

SLIDE BOLT FL2

- Features**
 - Ideal for harsh and high corrosion environments
 - Easy installation, flat and compact design for various application
- 2 different counter plates included for different mountings
- Finish**
 - Satin

LEVER BOLT HR35

- Features**
 - Ideal for harsh and high corrosion environments
 - Easy installation, flat and compact design for various application
- 2 different counter plates included for different mountings
- Finish**
 - Satin

SLIDING DOOR LATCH W/INSIDE INDICATOR HC-65

- Features**
 - High corrosion resistance
 - Surface mount door latch with indicator
- Non-handed: Can be installed on left or right side
- Finish**
 - Satin

GLASS DOOR CAM LOCK 1300GL

- Features**
 - Dimple key lock series. Ideal for showcase application
 - Reversible key: lock and unlock to turn key 360° and cam turns 90°
 - Able to remove key when locked and unlocked
 - 1 million key changes available
- Master Key system available at surcharge (max. 2,520 key changes/Master Key)
 - Keys can be shared with other Million Lock Series

GLASS DOOR CAM LOCK (W/ INDICATOR) 2200GL

- Features**
 - With indicator: Unlocked - Blue, Locked - Red
 - Ideal for application of showcase or audio rack
 - Available for both right and left swing door
 - Key can be removed when locked
- 12 key changes available (max. 300 key changes as special order)
 - Master Key system (170 key changes) available at surcharge (1 master only)
 - Keys can be shared with 2200 Lock Series

CABINET LOCK 7810

- Features**
 - For right-handed doors
 - High-security
 - Reversible key. Turn the key 360° to lock or unlock
 - Available in Satin Nickel (NI), Chrome (CR), Black Chrome (BL)
- Brass cylinder lock with stainless steel body
 - 1 million key changes available. Master Key system available at surcharge (max. 2,520 key changes /Master Key)
 - Keys can be shared with other Million Lock Series

GLASS HINGE (OVERLAY, W/ CATCH) XL-GC07-CR

- Features**
 - Hinge with catch for overlay door of glass cabinet
- Can be used with XL-GC01-CR
- Finish**
 - Chrome

INSET GLASS DOOR HINGE (GLASS FRAME TYPE) GH-450G

- Features**
 - Suitable for show-cases
